

Global Warranty For G&P Solar Modules

ARTICLE 1: GENERAL TERM

Zhe Jiang G&P New Energy Technology Co.,Ltd (hereafter is simplified as ("G&P New Energy")) provides the Limited Warranty for Solar Modules (hereafter is simplified as "MODULES") only to the direct client (hereafter is simplified as "client") that purchases the MODULES from G&P New Energy. The MODULES means the PV solar modules produced by G&P New Energy, including factory-assembled junction box and cables. Unless other notice from G&P New Energy, this Limited Warranty only available in the country or area where client get the MODULES. If any questions, please contact with G&P New Energy.

ARTICLE 2: LIMITED WARRANTY FOR THE MODULES

G&P New Energy warrants its MODULES to be free from defect in materials and workmanship, and satisfy the specification issued by G&P New Energy when the MODULES be loaded to the containers and prepare to ship.

1. Limited Product Warranty

Under normal application, installation, use and service conditions, if MODULES fail to conform to this limited product warranty due to defects in material or workmanship, then for a period ending Ten years(10 years) from date of sale as shown in the invoice or contract issued by G&P New Energy. G&P New Energy will, at its option, either repair or replace or refund the purchase price as paid by the client for these defective MODULES. The repair or replacement or refund remedy shall be the sole and exclusive remedy provided under the "Limited Product Warranty" and shall not extend beyond the ten years period set forth herein. It will be performed directly to the direct client only. This "Limited Product Warranty" does not warrant a specific power output, which shall be exclusively covered under "Limited Peak Power Warranty" as follows.

2. Limited Peak Power Warranty

10 years

Under normal application, installation, use and service conditions, power output less than 90% of the minimum Peak Power at STC as specified in G&P New Energy 's Product information Sheet, provided that such loss in power is determined by G&P New Energy (at its sole and absolute discretion) to be due to defects in material or workmanship. Within a period of ten (10) years from the date shown in the invoice or the contract to the client, the client has the right to require the "Limited Peak Power Warranty". G&P New Energy will replace such loss in power by either providing additional MODULES to the client to complement such loss in power, or by replacing the defective MODULES at the option of G&P New Energy

25 years

Under normal application, installation, use and service conditions, power output less than 80% of the minimum Peak Power at STC as specified in G&P New Energy ' s Product Information Sheet, provided that such loss in power is determined by G&P New Energy (at its sole and absolute discretion) to be due to defects in material or workmanship. Within a period of twenty-five (25) years from the date shown in the invoice or the contract to the client, the client has the right to require the "Limited Peak Power Warranty". G&P New Energy will replace such loss in power by either

providing additional MODULES to the client to complement such loss in power, or by replacing the defective MODULES at the option of G&P New Energy.

The remedies provided under the "Limited Peak Power Warranty" shall be the sole and exclusive remedies

ARTICLE 3: WARRANTY EXCLUSIONS AND LIMITATIONS

The "Limited Product Warranty" and the "Limited Peak Power Warranty" do not apply to any MODULES, which have been subjected to:

- 1). the date of Limited warranty provide by client has exceeded the period of validity
- 2). Improper application, installation, use and service; or Non-observance of G&P New Energy 's installation and maintenance instructions;
- 3). Repair or modifications by someone other than an approved service technician of G&P New Energy;
- 4). Misuse, abuse, neglect or accident;
- 5). In the event of any fire, earthquake, explosion, war, commotion, lighting, flood; Power failure incident, strikes, accidental breakage or other events outside G&P New Energy 's control
- 6). The MODULES' appearance, configuration, type, serial number or label has been altered, destroyed, removed, ripped off or made illegible
- 7). The damage caused by improper transportation or third party

ARTICLE 4: OBTAINING WARRANTY SERVICE

For serious defects affecting performance or safety, the importer should notify past customers about the problem, and make arrangements for replacement. Importer or certificate holder should co-operate with consumer authorities and CEC.

If the installer or end-user does not agree with the handling of the warranty claim or the outcome, provide a written notification to G&P New Energy immediately. Together with the notification, the client should enclose the evidence of the claim with the corresponding serial number of the MODULES and the invoice on which the MODULES have been purchased. G&P New Energy will appoint technician to prove it. Client can't take down or remove the defective MODULES or return defective MODULES to G&P New Energy privately unless prior written authorization has been given by G&P New Energy. The repair or replacement of the MODULES or the supply of additional MODULES does not cause the beginning of new warranty terms, nor shall the original terms of this "Limited Warranty for SOLAR MODULES" be extended. Any replaced MODULES shall become the property of G&P New Energy made for their disposal. G&P New Energy has the right to delivery not new or another type (different in size, color, shape and/or power) in case G&P New Energy discontinued producing the replaced MODULES at the time of the claim. But G&P New Energy warranty all replacement of the MODULES can remain good working.

ARTICLE 5: LIMITATION OF WARRANTY SCOPE

The "Limited Product Warranty" and the "Limited Peak Power Warranty" as set forth herein are expressly in lieu of and exclude all other express or implied warranties and all other obligations or liabilities on the part of G&P New Energy. G&P New Energy only provides Limited Warranty in the period of validity of "Limited Product Warranty" and "Limited Peak Power Warranty" G&P New Energy shall have no responsibility or liability whatsoever for damage or injury to persons or

property, or for other loss or injury resulting from any cause whatsoever arising out of or related to the MODULES, including, without limitation, any defects in the MODULES, or from use or installation. Under no circumstances shall G&P New Energy be liable for three articles as follows.

- 1) Client requires compensating the damage caused by above reasons
- 2) The third party requires client compensating the damage
- 3) Special, Incidental or indirect damages, or any consequential economic loss (Including profit,saving, tax, transportation charge or installing loss etc.), even if G&P New Energy has been notified the possibility of happening these damage or loss. G&P New Energy's aggregate liability, if any, in damages or otherwise, shall not exceed the invoice value as paid by the client, for the single unit of MODULES. If some special regulation or clause on the CHINA or INTERNATIONAL law, which cause part provisions, clauses or applications of this "Limited Warranty for SOLAR MODULES"exist blank on the law or lack forcible, this shall not affect other parts, provisions, clauses or applications of this "Limited Warranty for SOLAR MODULES" fulfill.

ARTICLE 6: WARRANTY TRANSFER

This warranty is transferable when the product remains installed in its original location and the warranty registration.

ARTICLE 7: DISPUTES AND ARBITRATION

This warranty is provided in addition to other rights and remedies held by a consumer at law. Our goods come with guarantees that cannot be excluded under Australian Consumer Law. You are entitled to a replacement or refund for a major failure and for compensation for any other reasonable foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.

Any dispute arising from or in connection with the "Limited Warranty for SOLAR MODULES" shall be settled through friendly negotiation. In case no settlement is reached, the dispute shall be submitted to the International Economic and Trade Arbitration Commission stipulated in the contract between client and G&P New Energy. In case of any discrepancy in "Limited Peak Power Warranty" claim, a first-class international test-institute such as Quality Supervision & Testing Center of Chemical and Physical Power Sources of Ministry of Information Industry, or TUV Rheinland in Cologne/Germany or UL laboratory shall be involved to test the peak power of the MODULES and judge the claim finally. All fees and expenses shall be borne by losing party.

Note: This "Limited Warranty for SOLAR MODULES" is valid since MAY. 7th, 2014. The final explanation right for this limited warranty shall be borne by G&P New Energy. G&P New Energy holds the right to amend the provisions, clauses or applications of this "Limited Warranty for SOLAR MODULES"from time to time without notice.
